The Coolidge Elementary PTA provides additional programs, equipment and assemblies for our 500+ student population. We use funds raised to purchase Chrome books, provide anti-bullying information, and send children on field trips throughout the year. Any monies raised would go towards these and any other identified needs and efforts for ALL of our students.

Dear valued guests, parents, teacher, students and staff: Your support is needed to help the Coolidge Elementary PTA to make a tremendous impact on the lives of our children. For this reason, we immensely appreciate any donation you are able to give and want to recognize your impact in these community support efforts.

YOUR DONATIONS ARE WELCOME!

20% of Sales and Proceeds will be donated by Sapporo to Coolidge Elementary PTA.
